

Weekend Rock List: Best Tom Waits Songs

We're feeling kinda basic this weekend, like we want to stay in, booze it up a bit and listen to a 48-hour-long Tom Waits medley. We could happily play the One From the Heart soundtrack all weekend, but we won't. Instead, we'd like to concentrate on the most essential Waits, the songs we can't live without. Here are our top five. What're yours?

- Heart of Saturday Night
- Innocent When You Dream
- Jockey Full of Bourbon
- I Hope That I Don't Fall in Love With You
- The Piano Has Been Drinking
