Today would have been Kurt Cobain's 40th birthday. It has been almost 13 years since Kurt has left us.

In so many different ways Kurt's music has inspired new musical talent which brought on a new era of music in the early 90's.

Just think what kind of creativity he would inspire if Kurt were here today.

Today in celebration of Kurt Cobain Nirvana fans plan to gather under the Young Street Bridge in Cobain's hometown of Aberdeen, Washington.

Kurt Cobain reportedly slept under the bridge as a homeless teenager.
