Thursday, 22 March 2007

After halfway a stint of seclusion in a luxurious rehabilitation center, Britney Spears has keyed up on. The jab exemplar checked out of Promises Malibu Alcohol and Drug Rehab Treatment Facility "after successfully completing their program," Spears' manager, Larry Rudolph, said in a account released by Jive Records late Tuesday.

Britney Spears, 25, entered the endowment Feb. 22 following a joust of flaky behavior that included shaving her head, receiving stubby lips tattooed on her wrist and beating a car with an umbrella. Photos of the incidents were beamed worldwide.

Spears' activities have been polished support for weekly magazines and celebration Web sites now skirt filed for divorce from aspiring rapper Kevin Federline in November, citing diametrically opposed differences.

Under a provisional agreement, the two have apartment custody of their sons, Jayden James, 6 months, and Sean Preston, 18 months. Federline and the children reportedly visited Spears during her treatment.

Federline, who released his debut album in November, was celebrating his 29th birthday with his household Wednesday and so voyage to Las Vegas for a syndicate Saturday at Pure Nightclub, said Federline's publicist, Marilyn Lopez. He originally had fabricated plans for amassed hop Wednesday night in West Hollywood, but canceled that event.

"He right wanted to have one league instead of two and wanted to spend his 24-carat birthday ... with his family," Lopez said.

Spears hasn't gaping why bird sought intendment at Promises, which offers detox, counseling and 12-step programs. A 30-day stick to at the Mediterranean-style villa tucked in the Santa Monica Mountains costs \$48,000.

With her live on there, Spears joined a extended index of celebrities who have trekked to the capacity to overcome addictions. Promises alumni bear Ben Affleck, Charlie Sheen, Diana Ross and Matthew Perry
